The image shows a Windows system tray with a dark theme. At the top left is a user profile icon with the text "Sign out". To its right are icons for power, lock, settings, and a dropdown arrow. Below these are three quick settings: "HamHouse" (Medium), "Bluetooth" (On), and "Notifications" (On, all apps). Further down is "Night Light" (Off). A red rectangular box highlights the volume and brightness sliders, with a speaker icon on the left of the volume slider. At the bottom of the tray, it shows the date and time "Thu, Jul 16 66% - 5:39 left" and a "Managed" status with a shield icon.

The Windows taskbar is visible at the bottom of the screen. It contains several application icons: the Start button (a circle with a square), Google Chrome, a game icon, a purple icon, a green frog icon, and a blue icon labeled "Clever". On the right side of the taskbar, there is a "Sign out" button, a search icon, and system tray icons for Wi-Fi, battery, and the time "10:46".

Configuración de WiFi (Internet), Bluetooth, notificaciones, brillo de la pantalla nocturna

The image shows a Windows 11 system tray with a dark theme. A red rectangular box highlights the network and notification settings. The settings are as follows:

Network	Bluetooth	Notifications
HamHouse	Bluetooth	Notifications
Medium	On	On, all apps

Below the highlighted area, the Night Light setting is visible, set to Off. There are also volume and brightness sliders. At the bottom of the tray, the date and time are shown as Thu, Jul 16, 66% - 5:39 left, and Managed.

The Windows 11 taskbar is visible at the bottom of the screen. It contains the Start button (a circle with a square), several application icons (Chrome, File Explorer, Edge, and a green icon), and the system tray on the right. The system tray includes a 'Sign out' button, a search icon, and icons for network, battery, and time (10:46).

The system tray menu is open, showing various system controls. A red rectangular box highlights the top row of icons, which includes the user profile icon, a 'Sign out' button, a power icon, a lock icon, a settings gear icon, and a dropdown arrow icon. Below this row, the menu lists network settings for 'HamHouse' (Medium), Bluetooth (On), and Notifications (On, all apps). It also shows 'Night Light' (Off), a volume slider, and a settings slider. At the bottom of the menu, it displays the date 'Thu, Jul 16', battery level '66% - 5:39 left', and 'Managed' status.

The taskbar at the bottom of the screen contains several application icons: a search icon, Google Chrome, a file manager icon, a calendar icon, a music player icon, and a 'Clever' application icon. On the right side of the taskbar, there is a 'Sign out' button, a search icon, and system status icons for Wi-Fi, battery, and the time '10:46'.

The screenshot shows the Chrome OS Settings application. On the left is a sidebar with categories: Network, Bluetooth, Connected devices, People, Device, Personalization, Search engine, Apps, Linux (Beta), and Advanced. The main content area has a search bar at the top. Below it, a notification states 'Your Chromebook is managed by mvwsd.net'. A message box says 'If a setting doesn't show on this page, look in your Chrome browser settings'. The 'Network' section shows 'Wi-Fi' is turned on and connected to 'HamHouse'. Below it is an 'Add connection' button. The 'Bluetooth' section shows 'Bluetooth' is turned on.

The image shows a web browser window displaying the Mountain View Whisman School District website. The browser's address bar shows the URL `mvwsd.org`. A red box highlights the bookmarked site name in the address bar. A "Bookmark added" dialog box is open, showing the name "Home - Mountain View Whisman School" and the folder "Bookmarks bar". A red arrow points from the star icon in the browser's toolbar to the dialog box. The website header includes the district logo and navigation links: TRANSLATE, CONTACT US, and REGISTER. A blue navigation bar contains links for Home, About, Academics, Parents, Schools and Programs, District Business, Services and Requests, and For Staff. A video player overlay is present, featuring a blue text box with the instruction: "Use la estrella para sitios web 'favoritos' y haga un acceso directo en la barra de marcadores". The video content includes the following text: "Reopening Community Check In July 16, 2020", "Cafecito with the Superintendent July 22, 2020", "Community Check In August 07, 2020", and "VA: Principal's Coffee - MUR August 17, 2020". The bottom of the screen shows the Windows taskbar with various application icons and system tray icons.
